EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Kevin R. Spivak on April 3, 2006.

The application has been amended as follows:

In the claim:

Claim 1, line 13, "an" has been changed to --the--.

Claim 2, line 13, "an" has been changed to --the--.

Claim 11, line 11, "an" has been changed to --the--.

Claim 12, line 12, "an" has been changed to --the--.

2. The prior art alone or in combination fail to teach or make obvious on the following when considered in combination with other limitations in the claim: the transmission of the data packets is monitored by the receiving communications system and the information item relating to the transmission is transmitted to the transmitted communication system and the audio data are converted by the transmitting communication system based on the information item transmitted, and the received audio data are converted after having been read out of an input buffer provided for compensating data packet delay variations, in which the read-out speed of the input buffer is
